

CORPORATE CHALLENGE 2020 CAPTAINS PACKAGE

Proceeds supporting:

Welcome to the London Corporate Challenge 2020

Corporate Challenge Team Captains,

This document is designed to help you make your team's participation in Corporate Challenge a success. We hope that the following information will help you to stay organized, understand what is required of you as a team captain, and most importantly will allow your team to enjoy a fun-filled day of activities at our event.

Corporate Challenge is a one-day event to support the mission of Merrymount Family Support and Crisis Centre..

The London Corporate Challenge will be held on **Saturday June, 20th 2020 in Harris Park.**

Each team will compete in ten (10) "events" during the day; these events are fun-filled, silly contests that are enjoyable and entertaining to compete in. Some examples are shown below:

Businesses / organizations or 6-10 of you best friends throughout the London area will enter teams into Corporate Challenge to share an amusing day with friends and co-workers and to show their support to the community. Normally each team develops their own team t-shirts to promote their companies spirit and as a keepsake for participants.

While this event occurs on one-day, your team's activities should begin now. We ask each team to fundraise for this event to support our charity, while our goal is to raise \$2,000 per team entered, our hope is that each team will surpass this amount and make this event a success. There are prizes for the top individual and team fundraisers, but the real reward is knowing that you helped to brighten a child's life.

The best way to describe Corporate Challenge is that it is an adult "play-day". It is meant to be enjoyed with that same boundless enthusiasm that children bring to recess everyday; we are all glad your team has chosen to join us as we celebrate this year's event

Sincerely,

The London Corporate Challenge 2020 Organizing Committee

Be sure to follow us on social media for information about the event and to partake in contests and clues that may help you win a prize or it could be an advantage for the day! Tell your teammates to do so as well!

You will likely want to have a co-captain to help you keep your team organized along the way. Dividing up the duties of the captain between two people will help to ensure nothing is missed.

Please set aggressive fundraising targets for your team. Remember money raised will go to helping Merrymount Family Support and Crisis Centre. A fundraising target of \$2,000 for a team of 10 is only \$200 each; your team may be comfortable with a more aggressive target.
